SARAVANAMPATTI,COIMBATORE - 641035 🏠

PRE FINAL YEAR ENGINEERING STUDENT

SUMMARY

Adaptable and analytical undergraduate student with strong listening and problem-solving abilities. A dedicated team player with excellent interpersonal skills, fostering effective collaboration. Resilient and self-motivated, thrives under challenges while maintaining a positive attitude. Quick learner committed to continuous personal and professional growth, ensuring reliable and impactful contributions.

EDUCATION

2022 – Present
BANNARI AMMAN INSTITUTE OF TECHNOLOGY
B.E EEE - CGPA - 7.78 (AS OF SEMESTER 4)
EXPECTED TO GRADUATE IN 2026

2020-2022
MANCHESTER INTERNATIONAL SCHOOL - CBSE
HSC - 62.5%

2019-2020
CARMEL INTERNATIONAL SCHOOL - ICSE
SSLC-79.5%

TECHNICAL SKILLS

- **C Programming**
- **Java Programming**
- **AWS (Amazon Web Services)**
- **Microsoft Azure**

AREA OF INTEREST

- **Cloud Computing and Virtualization**
- **Full Stack Web Development**
- **DevOps Practices and Automation**
- **Renewable Energy Systems**

CERTIFICATIONS

- **Cloud Architect Master's Program (Simplilearn)**
- **AWS Solutions Architect Associate (Simplilearn)**
- **Microsoft Certified Azure Administrator Associate (AZ-104) (Simplilearn)**
- **Microsoft Azure Fundamentals Certificate (Simplilearn)**

INTERNSHIP

KGISL (KG INFORMATION SYSTEMS PVT. LTD)
AWS INTERN | SEPTEMBER 19 – OCTOBER 18
Domain: Cloud Computing
Key Responsibilities:
- Assisted in deploying and managing AWS services including EC2, S3, and RDS.
- Gained hands-on experience with cloud infrastructure and security best practices.
- Collaborated with team members on cloud-based projects to enhance operational efficiency.

PROJECT

➢ **LIVEDOCAPP DEPLOYMENT**
Role: Cloud Architect
Technologies Used: AWS (S3, CloudFront, Route 53, EC2)
- Deployed the LiveDocApp website on AWS, using S3 for static content, CloudFront for CDN, and Route 53 for DNS load balancing to improve performance.
- Implemented governance and cost management strategies with resource tagging and AWS Budgets for effective usage tracking.

➢ **CART MANAGEMENT APPLICATION DEPLOYMENT**
Role: Cloud Architect
Technologies Used: AWS (S3, CloudFront, Route 53, EC2)
- Implemented the Cart Management Application on AWS, leveraging S3 for static content, CloudFront for content delivery, and Route 53 for DNS load balancing to optimize user experience globally.
- Established resource governance and cost tracking using tagging and AWS Budgets, ensuring efficient file access and collaboration among team members.

➢ **RESTAURANT APPLICATION DEPLOYMENT**
Role: Cloud Architect
Technologies Used: AWS (S3, CloudFront, Route 53, EC2)
- Deployed a restaurant application on AWS, utilizing S3 for static content storage, CloudFront for CDN delivery, and Route 53 for DNS load balancing to enhance page load speeds globally.
- Established governance and cost management practices through resource tagging and AWS Budgets, ensuring efficient file sharing among team members.

PERSONAL SKILLS

- **Adaptability**
- **Leadership**
- **Problem Solving**
- **Time Management**
- **Effective Communication**

LANGUAGES KNOWN

- **English – (R,W,S)**
- **Tamil – (R,W,S)**
- **Hindi – (R,W,S)**
- **Malayalam – (S)**

WORKSHOP

- **Participated in a 2-day workshop on ChatGPT and AI tools conducted by Skill Nation.**
- **Attended an AI tools workshop organized by Be10X.**

VOLUNTEER EXPERIENCE

COMMUNICATION SKILLS TRAINER
- Facilitated training workshops for junior students to enhance their communication and presentation abilities.
- Created engaging activities and offered constructive feedback to boost their confidence.

EVENT COORDINATOR – NATIONAL TECHNICAL FESTIVAL
- Spearheaded the organization of the Mock IPL Auction event for El Futurix.
- Developed the scoring, budgeting, and evaluation framework, prepared necessary materials, and ensured the event ran smoothly.

CONFERENCE

International Conference on Current Trends in Modernized Computing and Communication Technologies (MCCT-2023)
Organizer: Saveetha School of Engineering, Chennai

International Conference on Advanced Materials, Modern Manufacturing and Computerized Automation (IAMMCA-2023)
Organizer: PSN College of Engineering and Technology
